Clockwise from top left -

1. Bev Langley opened Minton Farm Animal Rescue Centre at Cherry Gardens in 1992. It is a self-funded organisation run entirely by volunteers and survives as a result of the generosity of the general public and businesses. You can help by either making a financial contribution or sponsoring an animal; and donating food for the animals - in particular, breakfast cereals, dry dog food, and horse or goat pellets. For more information or to make a donation, visit www.mintonfarm.org or phone Bev on 0422 938 439.
2. The Sturt CFS Group (Belair, Blackwood and Eden Hills) are fundraising to purchase a second water tanker for use primarily in the Blackwood district. A second water tanker will cost approximately \$250,000 and is needed as a lack of mains water in a large part of the Sturt CFS area obviously hinders fire fighting operations. If you can help, make a donation in one of the red 'tanker appeal beacons' found in local businesses and for more details phone 0408 310 441.
3. *Joan's Pantry* Community Kitchen Garden was officially 'launched' with the help of 'Charlie' the pet pig - seen here with owners Stefan and Hannah (on left). Charlie was given the task of digging over the soil in preparation for seed planting and is now a regular visitor to the Hawthorndene café. If you would like to get involved in the community garden, come along to Joan's Pantry between 3-5pm on the 2nd Sunday every month. For more details, email: jkitchengarden@gmail.com or view their facebook page: [Joans-pantry-kitchen-garden](https://www.facebook.com/Joans-pantry-kitchen-garden)
4. The Blackwood Action Group (BAG) has devoted a lot of their time enhancing the streetscapes around Blackwood shopping precincts. They also hold regular monthly working bees at both the Coromandel and Blackwood train stations. The group proudly believes that the Coromandel station gardens are the best on the metropolitan lines. If you would like to get involved or find out more about the Group's activities, simply log on to: www.bagi.org.au
5. The winning photo (*courtesy of Ceri Macleod*) from *CoroAlive! 175* festivities held during 2012 to celebrate the discovery of Coromandel Valley 175 years ago - even the youngest can find delight walking in the Valley. These festivities resulted in an upsurge in interest in the district and guided history walks are now offered regularly by the Coromandel Valley & Districts National Trust.
